Billie,
We've known each other for a real long time, but we never got a chance to really get to know each other. I'm glad I got to know you in Consumer Ed. It's too bad we didn't have much in common before this. It's been a fun year. I hope you get what you want out of life and have a great summer! Keep in touch. (741-0119)

Love,
Lynnette

Billie Best of luck to you in the future. I'm glad I had a chance to get to know you. Have a great summer. Always remember I'll always be your friend. Keep in touch.

Love ya,

BE TRUE TO YOUR

As students age throughout their high school years, they realize that pride becomes a very important part of their lives. Pride is something we all must have a little of. Thanks to the leaders of the school, pride has been really high throughout the years. Pride kept us in pursuit of our goals and helps us to reach them some day.

SCHOOL

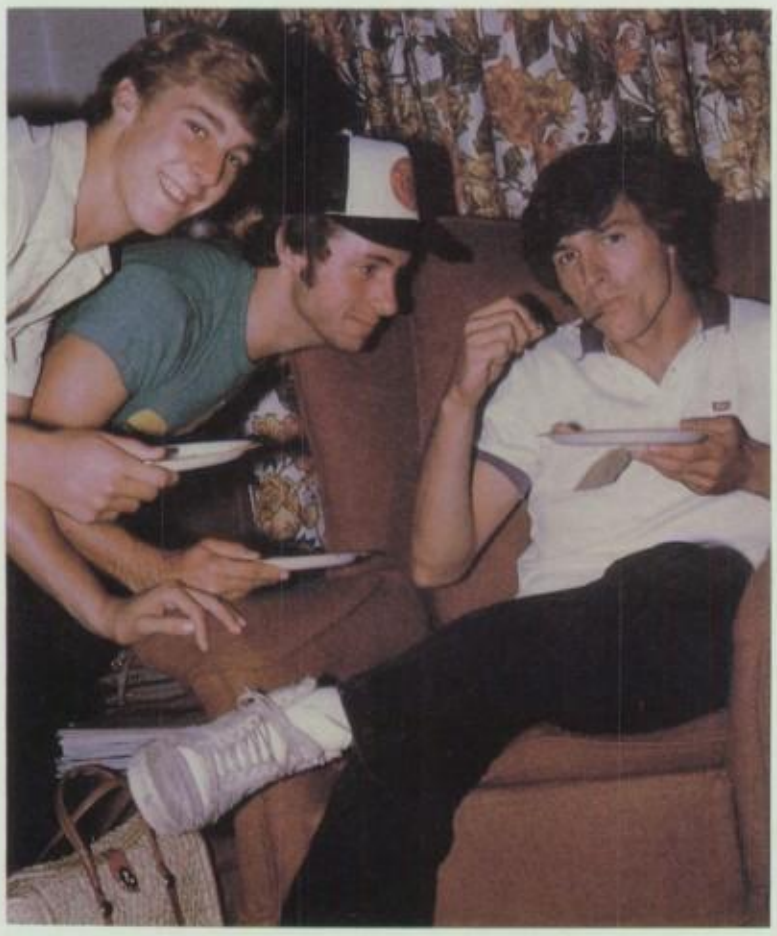
THANK YOU

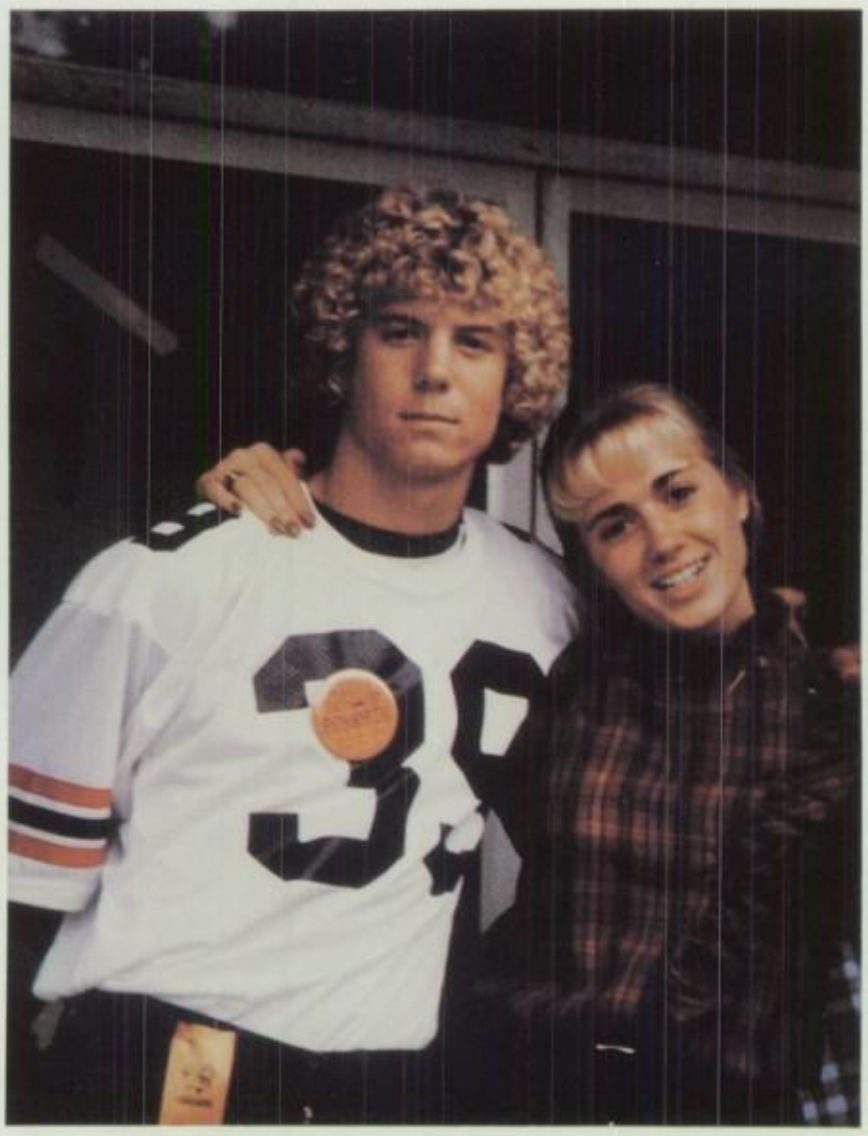
Friends are probably the biggest reason behind "making it" through high school. These much-needed people always seem to be there to cheer you on in moments of stress when you have no fans. Need some good ideas about yourself? Ask a friend!

Many friends are made in the relatively short time we spend at EHS. Sometimes we get lazy and fail to spend sufficient time with our friends. Perhaps our tastes and goals change. But not always—some friends remain close to us for the entire four years. Sometimes we pick up other friends the last year or two.

We will always remember the friends and foes we encountered at EHS.

FOR BEING A FRIEND





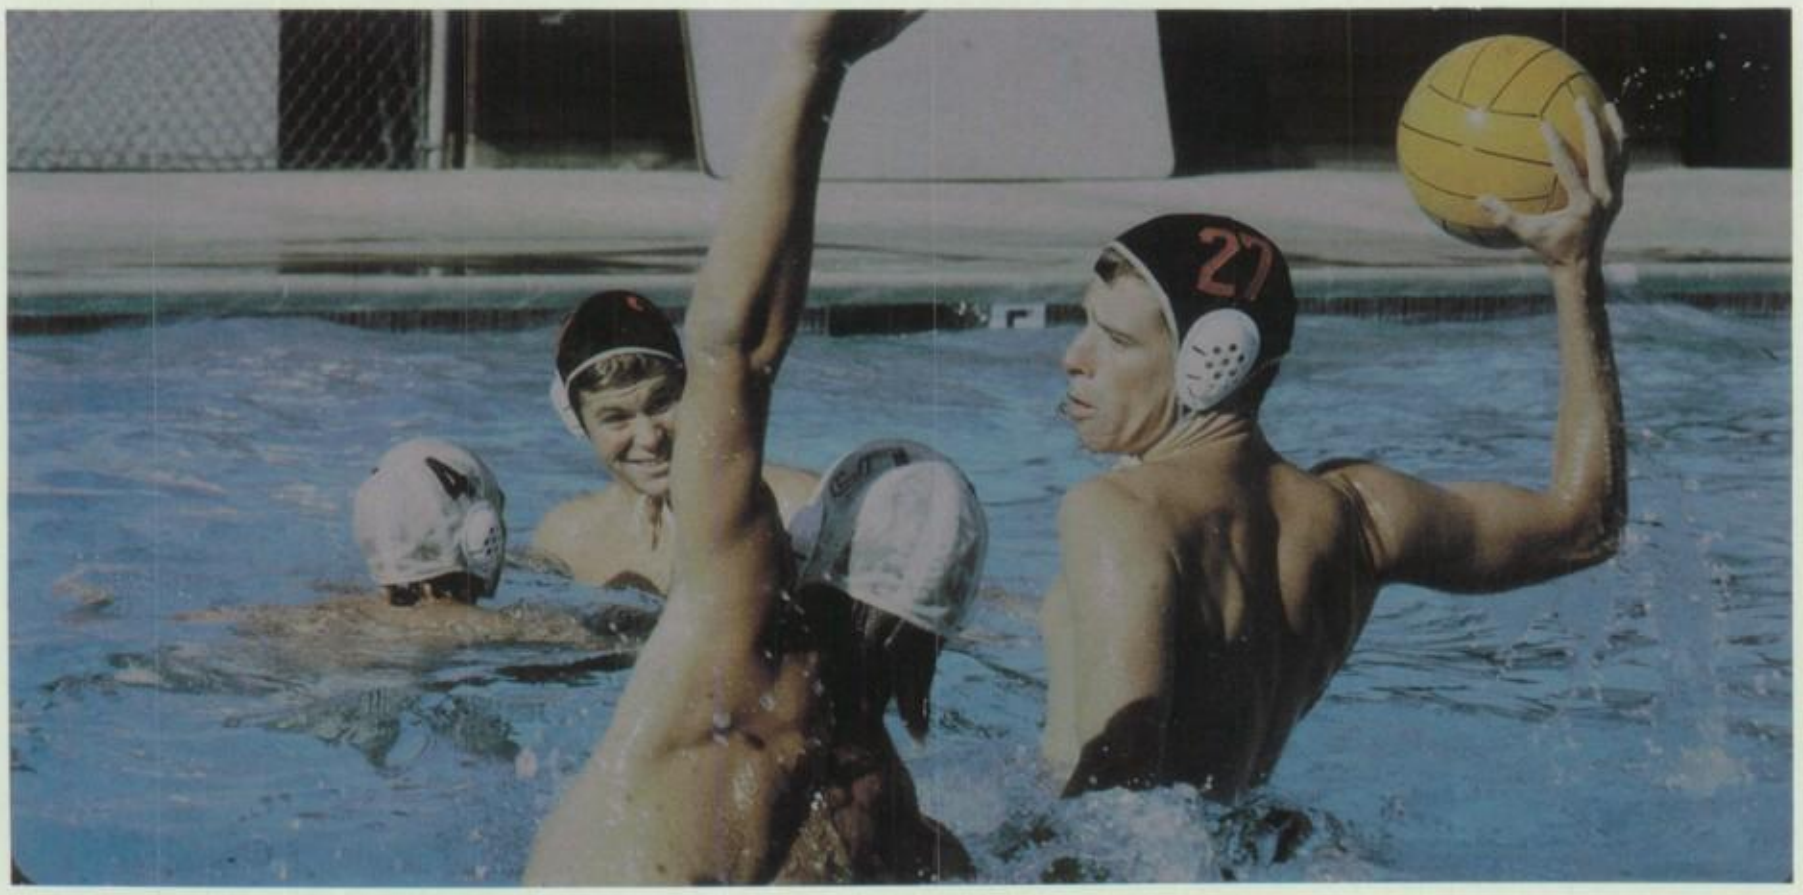
I CAN'T SMILE

Feeling welcome in high school, especially at our proud campus, makes laughing and being laughed at a part of everybody's high school life.

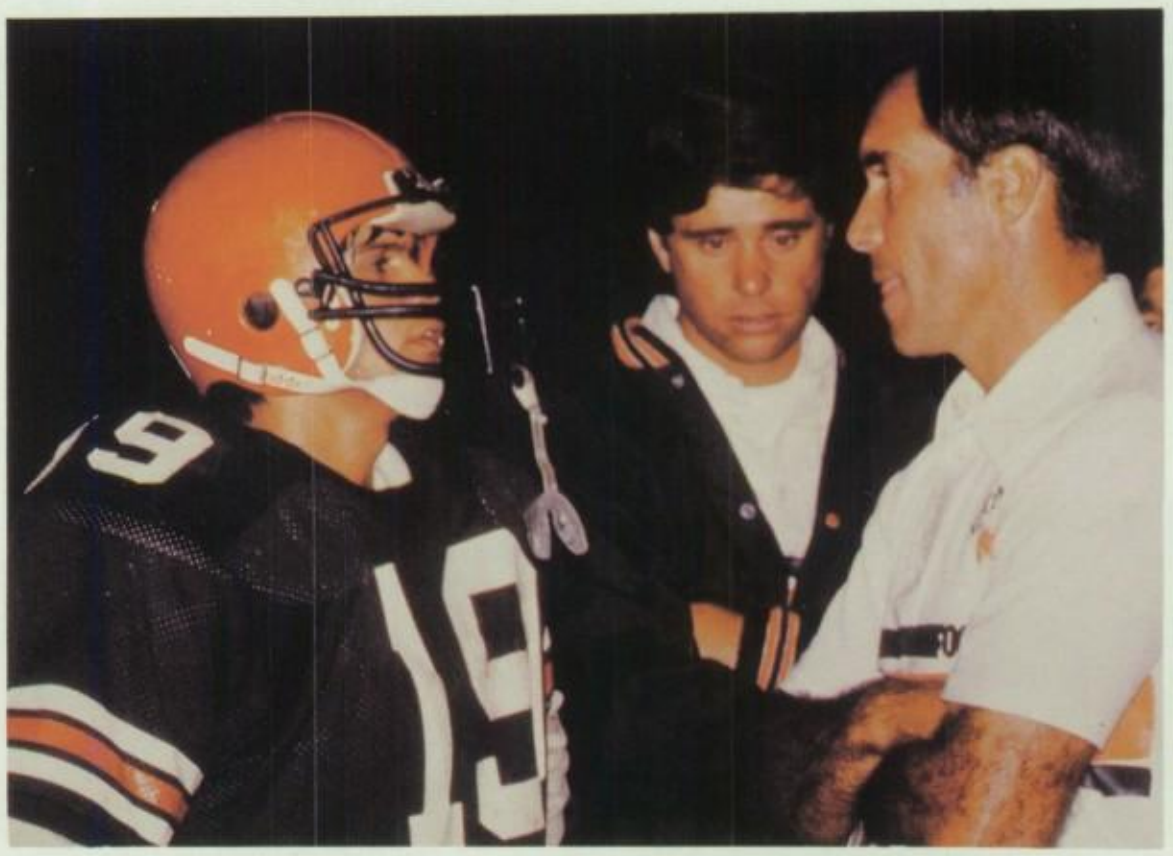
Daily affairs, such as trash-canning freshmen, posing for pictures, or watching the funny clowns at school every day perform their sometimes humorous acts brings a warm, joyous feeling to every student's heart.

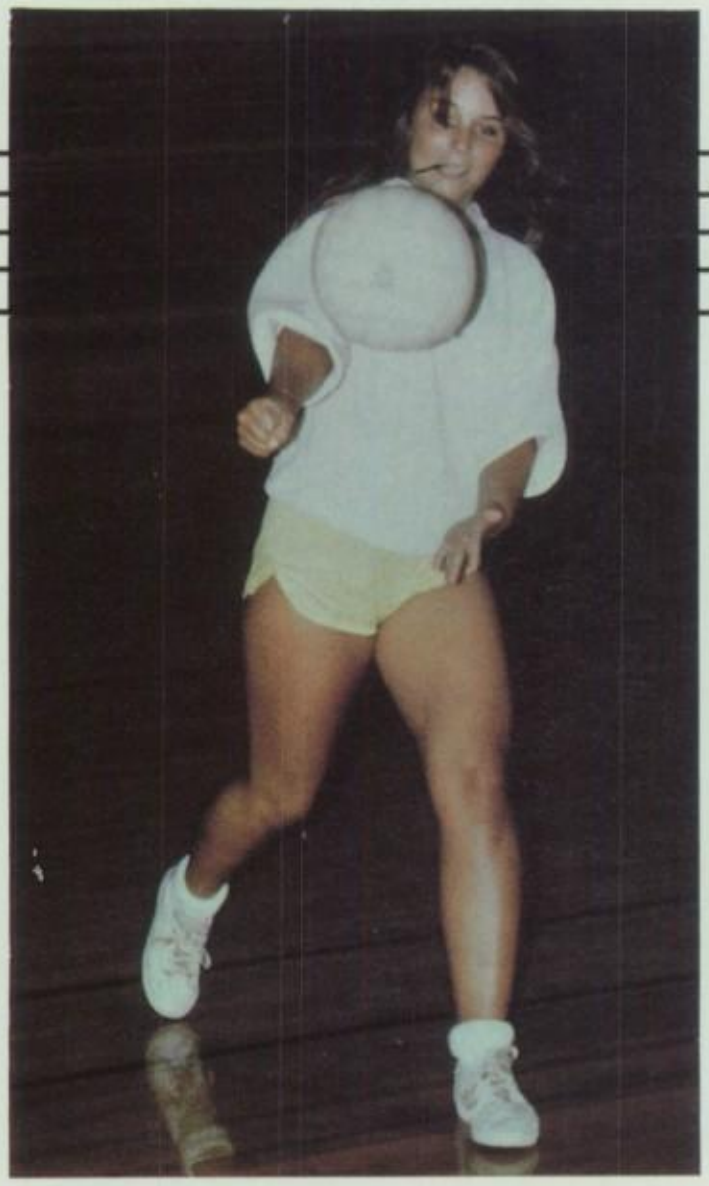
WITHOUT YOU

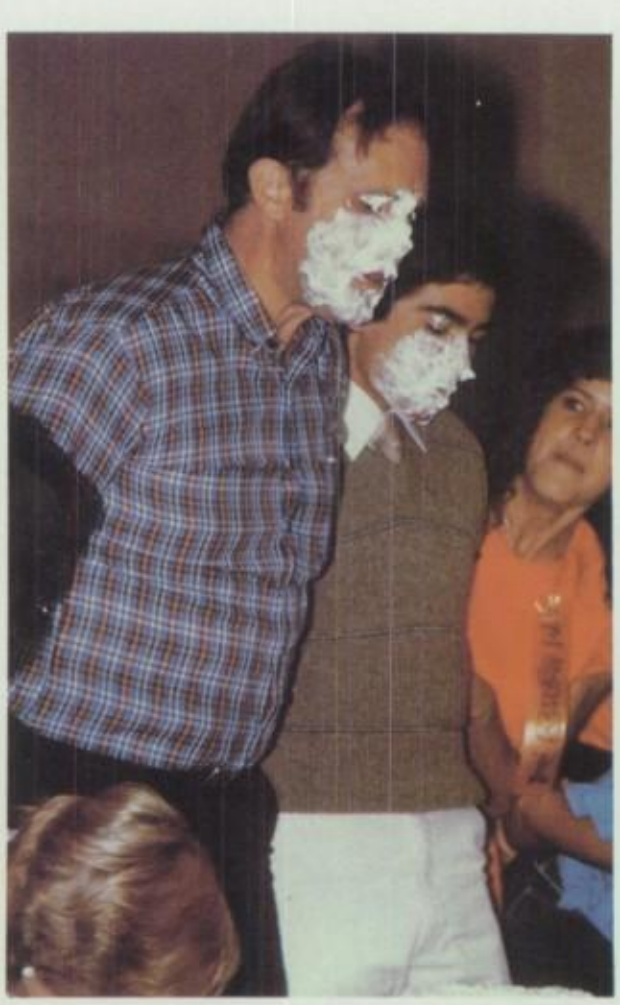
WE ARE THE CHAMPIONS



Throughout the years, Escondido High School has faced some tough competitions. Many take the challenge of one school against another as heart breaking. It's not just the winning that counts—it's the time and effort that each individual puts in that matters. Sports are a big part of one's high school years. After sharing the thrill of victory and the agony of defeat, the Cougars will go on to face life's other challenges.







Billie
It's been

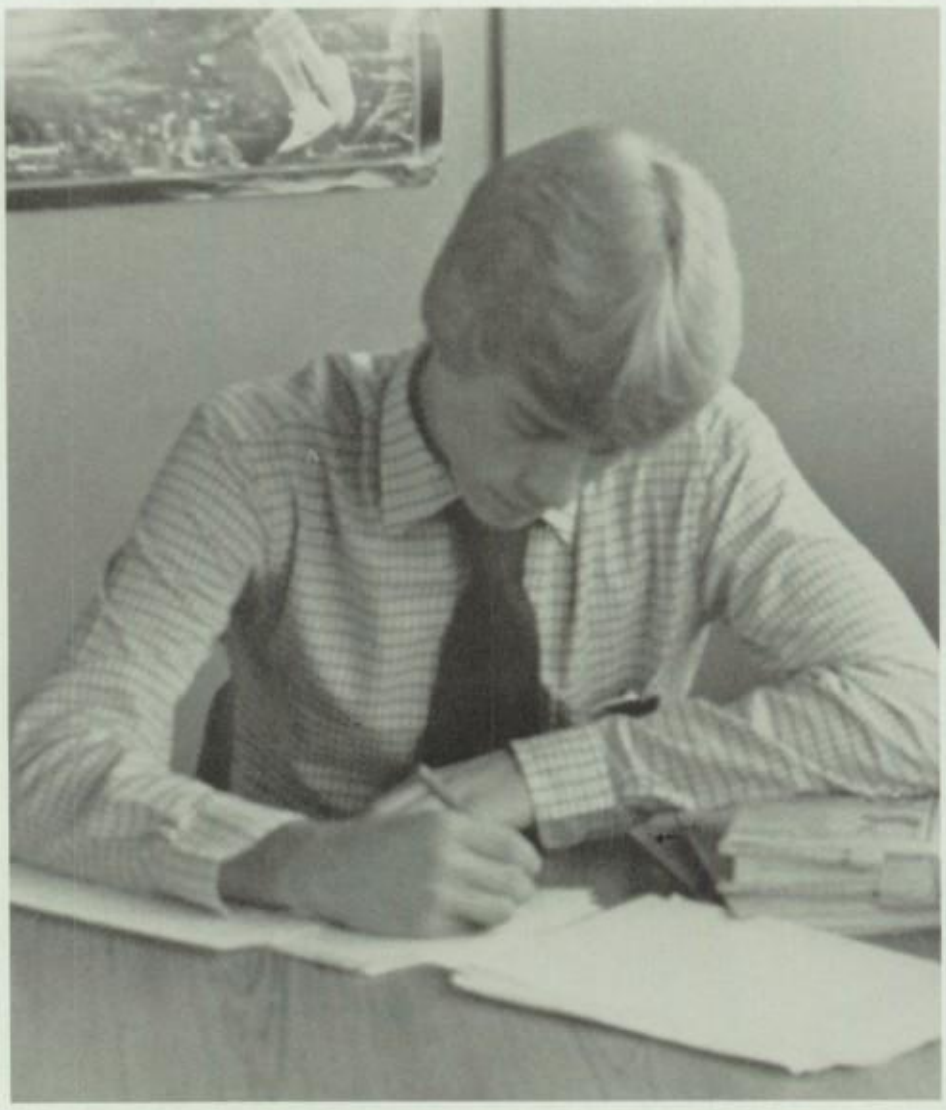
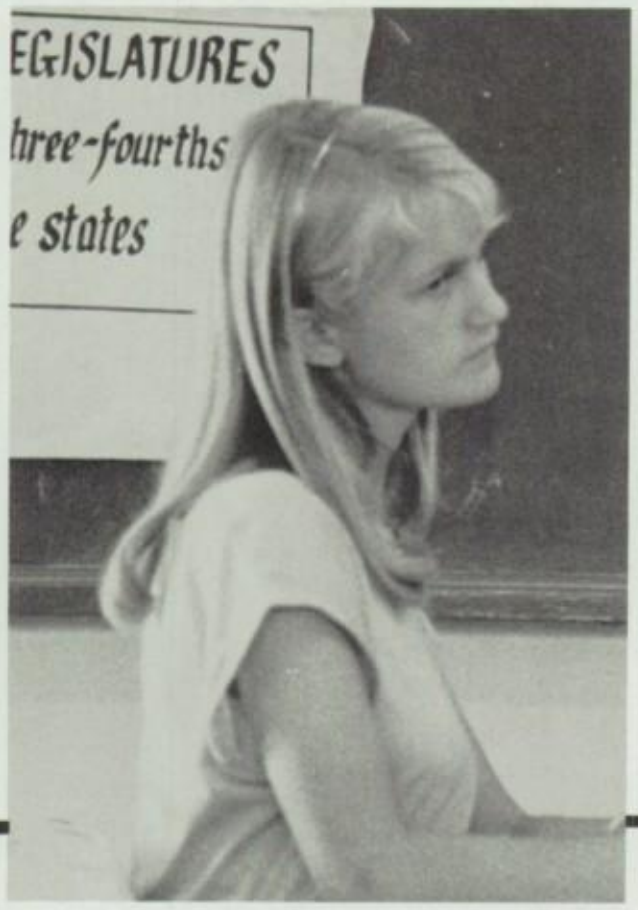
ONLY THE LONELY





Although friends were a great part in our high school lives we also needed to be alone. Many times we just sat and thought about our future and wondered what we are going to do after graduation. What next?

Sometimes we went over our past experiences and laughed over stupid mistakes and cried over dramatic experiences.

Solitude played an important part in our growing up. We study alone and hope to get more accomplished that way.

TO BILLY, I HOPE YOU HAVE FUN THIS SUMMER
GOOD LUCK IN LIFE WELL HOPE TO SEE YA

Cougars Taste C.I.F.

The '82 Cougars started the season with a goal in mind, to play 13 ball games. Their hopes were bent but never broken. After the first two non-league contests, losing to Fallbrook (19-0) and Poway (14-0). The Cougars then traveled North to play Santa Ana. The Cougars fell behind 21-0 at half way point to the heavily favored Saints. The Cougars then staged a spirited 14-point second half rally, only to see the final seconds tick away. The Cougars then traveled home to meet the Lancers of Carlsbad in the League Opener. They showed the home crowd what Cougar pride was all about by winning 14-7 and jumping to a 1-0 league opener. Then the Cougars went to Oceanside only to be defeated by a tough Pirate team (20 to 30).

The Cougars entered the cross town rivals with a 4-2 record beating San Pasqual, San Marcos and Ramona.

As usual the Patriot game was a dog fight but in the end the Cougars were favorites 14-7 as they earned the CITY CHAMPS title, and entered the quarter finals of C.I.F. with a 5-5 overall record.

The Cougars faced a tough Point Loma team which was 9-0. The Cougars played a fantastic game but fell short 20-7. The Cougars didn't reach their goal of 13 ball games but they did win a lot of respect. Some of the Cougars were picked for the All-Avocado League Football Team, those were (Senior) Eric Garcia for first team Quarterback, (Senior) Paul Stepanek for first team defensive line, also for first team linebacker (Senior) Craig Shaw, and in the secondary they picked (Senior) Ray Madden. The second team honors went to Offensive Linemen (Senior) Ben Hough. Defensive linemen (Senior) Rick Koch and (Senior) Pete Enriquez. Also Linebacker #22 (Senior) Trent Waynick. Honorable Mentions went to (Seniors) Joe Howard, Robert McLaughlin, and Pat McVey, and (Junior) Rudy Perez.

Water polo has best season ever

The '82 season was the best year ever for Escondido High water polo, according to Coach Sadnick. Consisting of eight seniors and two juniors, the polo team made it to C.I.F., but lost to Crawford in the quarter-finals. The Cougars' 6-8, League 10-9 season record could only be achieved with the help of MVP Garland Long, Capt. Brian Fullerton and goalie Jeff Rudder who set several records in the course of the season.

"I was very pleased with the performances of all the players this year," proudly said Coach Sadnick.

Not Bad

The Boys' Cross Country team finished with a league record of 2-4 for the 1982 season. The leading runner on the team was Adolfo Garcia, who was the champion in the district by defeating all runners from San Pasqual and Orange Glen. Adolfo, just a Junior, should be ranked in the top 5 after the finals.

Coach Embrey also cited the efforts of Fred Perez, Abe Castellon, Marty Bryant, and Dewayne Stevey, all of whom will be returning next year.

Since there were no Seniors on this year's team Coach Embrey hopes that his underclass returnees for next year will build a good nucleus, for a winning season.

The Girls' Cross Country team had a great season, and finsihed with a league record of 3-3. The team consisted of all Freshmen and Sophomores with the exception of Senior Bonnie Dutile. The Sophomores were well represented by Lorraine Dunne and the Freshmen by Miska Migarz, Meagan Riker, and Kim Revilla.

Volleyball Bumps Their Way to C.I.F.

The Varsity Volleyball team had a very prductive year. Their 9-3 league record took them to CIF. To get to CIF they needed outstanding help from Juniors Kris Duffy, Alicia Koch, Nicki Ebeling, Teri Pile, and Diane Erwicker. The Cougars lost in the first round of CIF to La Jolla (17-15, 15-4).

"That was a tough loss. We just don't have enough experience to handle this kind of situation," the coach said.

"Next year, though, it could be different. This is our first experience in CIF play and I think the juniors will really benefit from it," the coach added.

The team finished with a season record of 12-7 and is looking forward to next year.

Girls' Tennis Comes Close

The girls' tennis team had a lot of potential this year. Mr. Lievers felt that all of the potential wasn't used. The Cougars had a record of 5-5 with two matches left. The Cougars could finish with a 7-5 record and second place with wins over San Pasqual and San Marcos. The Cougars had lost by one set to both earlier in the year. The Cougars beat San Pasqual to keep their second place hopes alive but lost to San Marcos. The Cougars have 7 members returning and hope for an even better season in '83.

Varsity Basketball Gives Fans An Entertaining Year

The Varsity Basketball team had a very fine year. They started off well, but slowly lost momentum. The team played some very good games and they were entertaining to watch. The Cougar Basketall team matched the feat of the Cougar football team by becoming City Champs, beating San Pasqual TWICE and Orange Glen once in an extremely exciting overtime game on the Cougar courts.

Head Coach Mike Williams said that no one person carried the team, but that everyone contributed and all had a good season. The team was led by returning seniors Sal Embrey, Mark Heinstchel, Steve Frank, Brad Cesmat, Joe Shinneral and Tim Matson and the outstanding play of Junior Charlie Heinstchel.

Wrestlers meet their goals

Although the Cougar wrestling team finished the season with a 4-6 dual match record, their future has great promise. The nucleus of this year's team was comprised of a strong group of sophomore wrestlers who proved themselves by winning many tournament honors at various varsity meets.

The team will miss senior captains Leo Valdivia and Ben Hough, whose determination and leadership has set the pace for winning wrestling here at Escondido High School.

Coach Clay Clifford said, "I believe that when an athlete chooses to wrestle, he is mentally and physically strong, is able to make certain and necessary sacrifices, and is willing to graciously meet the challenges of competition. This athlete has expressed through wrestling a characteristic that will help him conquer life's calamities and will allow him to appreciate the better things in life. Good luck, wrestlers."

Golf 'Hacks' It

The '83 Linksters were a very young team. Two of the top golfers were sophomores, the two being Mark Shadrick and Shawn Rose. The other of the top trio was senior Rick Silva. The golf team was larger than any other golf team in the past. The outlook for '83 was optimistic and the outlook for '84 even better. The Cougars will be looking for improved play from the likes of juniors Matt Barnett and Andy Mitchell, Rich Swan and Scott Paxton.

Soccer Has Disappointing Year

The '83 soccer team seemed at the beginning of the season to have a promising team, but proceeded to have difficulties with winning. Jeff Erskine said "we're not short on talent, but we're short on experience." The varsity team was helped out a little by the JV. A few JV players were honored by being recruited by the varsity. Dennis McLouchlin said, "We had some very close games, but we just couldn't pull off the big win." The '84 Cougars will have four returning varsity players, plus the support of the talented JV team. The team should have some all-league bound players like Manuel Hamm, Mike Colstrum, and Jeff Erskine.

Field Hockey Team Goes Out In Style

The last and final year for Cougar Field Hockey team will always be remembered for the fine athletes that contributed for their team and honored their school.

The 1983 Cougars started their final season with yet another coach, Miss Ramirez. She led the team well with her excellent abilities. Never yet have the Cougars seen such a hard-headed coach, but Cindy Bilderback said, "It has helped the team tremendously." The leaders of the team were Co-Captains Leigh Herley and Cindy Bilderback, who led the team to some very good victories with their outstanding ability.

"This year's season was one of the best out of the past four years," said Bonnie Dutile. The outstanding players were Leigh Herley for her outstanding performance at the goalie position. She is ranked the top goalie in the league. The rest of the defense was Debbie Winther, Renee Bright. For the offense there were many talented players like Jackie Franco, Bonnie Dutile, Alma Ibaniz, Maria Padilla Popy Insixiemgmay had several goals for the team. The Cougar softball team made a strong showing in the Avocado League '83 season. With one week remaining, the Cougars carried on 8-5 overall, and a 6-4 league record. The team had three league games left and had to win all three contests to get into CIF play.

"Many girls had a fine year," Coach Vasquez commented. Junior Lori Dick had a good showing on the mound pitching every game. Some of her more outstanding games included a no hitter against San Pasqual and a one hitter versus San Marcos. Other juniors having a good year were Yvette Meza and Cathy McFadden. Junior Lisa Brown had a fine year defensively.

Baseball Looking for League Championship

Based on the facts that Escondido won last year's Summer League Championship, and is returning six starters from last year, Craig Show, Sal Embry, Scott Hinrichs, Ray Madden, Dave Blount and Dave Danover, Coach Bill Kutzner has high expectations for this year's team. The Cougars' strengths lie in the areas of a solid defense and strong pitching staff led by seniors Sal Embry, Scott Hinrichs and Dave Blount and juniors Dave Danover, Ron Sisler and Mike Fairbanks.

Boys Tennis Nets Good Season

The Boys Varsity Tennis Team is coached by Mr. Dodin. This year was considered by most of the players to be a building year because a large part of the team are underclassmen. One of the three seniors on the team is the number one singles player Joe Schinnerl. Mike Varney is the number two singles player. The season looks bright for the team. Their first match against Carlsbad was a loss at 13-15. But that's a strong finish considering Carlsbad is the defending league champion this year. The team's goal is to win one half or more of their matches and to have a great time.

Boys Track Strides for Success

At the beginning of the '83 track season, it was said that the E.H.S. team would lag because of the few seniors that contributed to the team; but as the season progressed, the Cougars seemed to improve themselves as individuals and as a team unit.

The field events appear to be the stronger point of the Cougar track team. Rick Camron leads the pole vaulting with a vault of 11'6" and should be skying to at least 12' at finish of the season. Close behind with an 11' jump is junior Orlando Chacone.

Heintschel brothers (Mark and Charlie) are headed toward C.I.F., taking 1st and 2nd in league finals. Paul Stepanek leads the shot with a throw of 48 feet. He has a great chance of taking 1st in league.

Jeff Ford leads the discus with Moises Quiroz close behind. Jerry Nagorski and Scott Blythe are the two top jumpers with jumps as far as 20'. Dennis and John Martin are the top sprinters for the Cougars. The '83 track team is young but will be mature for the next few years.

Girls Track Hopes for Victorious Season

This year's girls' track and field team is hopeful for a victorious season. The team consists of many talented athletes in various events. Coach Clay is responsible for scheduling different female athletes into their respective events. Amanda Brodie is Escondido High's number one sprinter and has an excellent chance at CIF finals. Cindy Miller is hopeful for a chance at CIF finals in the shot put event. Cindy Bilderback is a newcomer to the broad jump event but she has done well so far. Amanda Brodie, Jackie Brodie, Alicia Koch, and Cindy Bilderback comprise the 440 relay team. Their efforts combined with all the other members demonstrate this team's ability and determination to capture a banner of the 1983 season for our proud Cougar gym.

Gymnastics Tumbles Into First Place

This year's 1983 Gymnastics team coached by Jane Rattman looks to have captured the League title by defeating Carlsbad, who looks to be their their only competition, by a score of 198 to 169.

The outstanding performers of optional level this year included: Alicia Fullford with a 9.6 score on the floor exercise, setting a school record; and Lisa Whetsel, who also set a record of 36.5. On the varsity level outstanding performers were sophomore Jill Cherkin, with a 9.5 score on the uneven bars; and Kris Lovet, another very talented performer.

Coach Rattman feels that her team will be strong because of the returning gymnasts. Jane Rattman would like to give her special thanks to graduating senior Kris Ortenzo for the hard work she has put in during her four years of varsity gymnastics. "We'll surely miss her!"

Sophomore Gail Neely competes in a recent match showing sensational form while at the same time thinking about her pet camel, Ned.

Girls' Soccer Hopes for a Good Season

The 1983 girls' soccer team consisted of two returning seniors, co-captains Lis Aldrete and Lynn Brandon. Five returning juniors and seven first-year players were also on the team. This year is Mr. Aviles' fourth year as coach. His encouragement is one of the main reasons of such positive responses from the team members. The star player of the team is Lynn Brandon who was voted All-League Goalie. Lisa Aldrete has an outstanding chance at becoming All-League forward. What the team lacks in talent, it makes up for in enthusiasm. This being the team's third year as a CIF team, the team is hopeful for bigger and better challenges and victories in the future.

These two classes are required in order to graduate from EHS. Mainly juniors are enrolled in history but a few remedial seniors are also members of the informative class. All seniors are required to take civics. The teachers of the classes are full of ways to make the classes more interesting. There are guest speakers, films, lectures and, of course, tests. These are helpful because knowledge of our country helps us to become more involved with our democratic government.

English Gets Down to Basics

Mrs. Monaco shows school spirit.

This year English was just as it has been in the past. Students, freshmen, sophomores, juniors and even seniors, filed into their daily English classes. The very basics of English grammar to the more interesting, sometimes intricate aspects of poetry and American literature were taught. The students learned many important concepts for expanding their knowledge of English.

Students Become Creative

Students in all grades are encouraged to take Art. In this class students experiment in various media, including clay, textiles, drawing, and painting. Students have many opportunities in which to expand their talent and interest in this dynamic field. This class can be a lot of fun as well as a meaningful addition to one's high school education.

The Cougar Soars To New Heights

Under the capable leadership of Chuck Bailey, the **Cougar** has become an ever more meaningful newpaper. Scope, or variety, has been one of Chuck's aims—a wide range of editorial comment, contributions from various school personnel, photographic innovation. Enthusiasm is the hallmark of Mr. Bailey's staff—a positive attitude dedicated to producing good work. Also meaningful for each student on the staff has been the recognition for individual youth, the awareness that each student can, after learning the outline of his area, take hold and produce under his or her impetus.

These extra credits are useful to those who have failed and also for those who are applying for early graduation.

Fourth Row—Prudence Dubuke, Maria Ibarra, Cindy Bilderback, Penny Kirkpatrick, Kris Ortenzo. Fifth Row—Brian Fullerton. Sixth Row—Mr. Dan Jupp.

For the first time in many years, The Gong has had a female editor. The change has proved beneficial. Enjoying her role in leadership and being forceful in keeping all people working, Cindy Bilderback has led her staff to the successful production of a fine yearbook.

All sections of the staff have added their parts to help produce the successful whole. **Photography**, a difficult part of the yearbook because of its many facets, was closely and wisely controlled by Brian Fullerton. His supporting staff was superb.

Guiding the group for **Student Life**, Amy Tuttle labored vigorously to try to include many aspects of student life.

Selling advertisements is important for the financial health of the yearbook; it is also a time-consuming job. Penny Kirkpatrick, Natalie Lowe, and Ernie Pyle used their business sense in this field.

No yearbook would be successful without the many pictures of underclassmen. Dana Galindo and Cherie Freeth turned in their good-looking section. **Seniors**, the crown of the book, was done by Marie Ibara and her group who arranged this beautifully colored section.

David Blount, an experienced student from last year's staff, prepared and arranged an excellent group for the production of the **Sports** section. No business runs well without a fine bookkeeper; The Gong's financial wizard was Kris Ortenzo. So the students would be aware of The Gong, the promotion department, Sal Embrey and Bridget Last, publicized constantly.

Stacy and Keri, Vellina and Laura, with the minute attention required by the Academics/Faculty layout, worked spiritedly to a triumphant conclusion.

EHS Dramatics Have A Hit With Broadway

Escondido High School's Dramatic Department had a very exciting year. Their largest production was *Broadway*, a three-act play. It boasted a large cast, the largest, in fact, for this season. The play ran for three nights, and all, including the cast, enjoyed the *Broadway* experience. The cast included dancing girls, choreographed by Tanya Mattarazzo, big-time criminals, and of course the hero and heroine.

Bob Johnson, the head of the Drama Department, produced *Broadway*, but before *Broadway*'s performance, a series of short one-act plays had been performed. The difference between these one-act plays and those in the past was that these four plays were produced by Advanced Drama students. These drama students learned for themselves the complexity of all the responsibilities that are taken by play producers. It was well worth the effort, and all of the dramatic productions were successful.

Mr. Clay works intently with a student.

Special education classes are those that give extra attention to students who need more help in certain areas. Teachers who specialize in one area such as math, reading, or speech administer to the needs of the students on an individual basis. In this way the students really gain a greater desire to want to learn. In a class period students get much more accomplished than they would in a regular classroom. Students have many varied resources available to them such as computers, resource books, and audio-visual materials. Students who demonstrate a need for extra scholastic help are placed in these classes by their counselors. Students in these classes receive the assistance they need in order to gain extra knowledge.

Students who are placed in the special ed classes really seem to gain a more noticeable amount of confidence in themselves and in the finished work which they produce in the end. These teachers are an important part of the educational needs of students at E.H.S.

Library Keeps Doors Open for Students

This is the year the library once again was a very helpful source of research for many students needing certain materials. The librarians were always ready to assist any students wanting or needing help in finding answers to the questions which were bothering them. The library also came in very helpful when students needed books of all kinds either for class study or just for personal enjoyment. As always, and without fail, the library was always open for students who needed to finish their homework from the night before.

1982-1983 Escondido High Counselors

Mike Dietz

Dick Lievers

The counselors at Escondido High School are a hard-working group. The counselors consist of four highly skilled individuals: Arlene Gardiner, Mike Dietz, Dick Lievers, and Donald Pusker. Each counselor works at both personal and administrative positions.

The counselors are responsible for assigning students to their respective classes. Dick Lievers is directly responsible for the career center. This center describes and depicts various careers and the education needed to attain those positions. This center has many audio-visual aids and all students are encouraged to examine this information.

Counseling has three main foci: Academic, social, and vocational. Academic counseling is mainly done "behind the scenes." The student is placed in classes suitable to his needs and according to number of available seats. Social counseling is done directly with the student. Those students can always ask for assistance from their counselors, who try to remedy the situation in the best way possible. Vocational counseling takes place mainly after a student's sixteenth birthday. A student uses counselors' assistance to find a suitable job, or look into a promising career.

Donald Pusker is the head counselor here at Escondido High School. He is responsible for students whose last names begin with the letters S through Z.

PEP RALLIES

Our gym walls echo from class competition, obvious rowdiness and enthusiasm generated inside. The spirit brought out by our cheerleaders was enough to take over the crowd. Throughout the season of fall, football seemed to be the most popular sport, and pep rallies provided students the opportunity to fire up for the games. Our first pep rally seemed to be the initial event causing everyone to fire-up; the students gave all they could, making it the best in fourteen years—that pep rally lived up to creating the high-level competitive spirit that is a part of our Cougar School.

Class competition seemed to be everyone's favorite this year.

Kim Hanks—Cheering at the pep rallies and playing football at the beach with Steve.

David Romo—Coming to the awesome E.H.S. from Fallbrook High.

Cindy Bilderback, Jackie Franco—We had a blast our four years of drooling over Mr. Jupp.

Lisa Glasner—This year's Homecoming and Senior Ditch Day.

NIGHT LIFE

Even The Nights Are Better

One thought on every student's mind during the school week was their plans for their weekend. Whether it be with a crowd of people at a football game or out with just a few chosen friends at Pizza, it was a good way to forget teachers, homework and the day-to-day routine of school. There are many ways our students at EHS relaxed and had a good time.

Even bigger changes are in store because the cabinet plans to revise the constitution.

Enjoying the company of each other concerned the leadership—many social activities: tailgate parties, ice cream feeds, ravioli feeds. Dancing after the football games cheered many a loving couple.

Surf Club

Seniors Steve Towl and Ronnie Placa were the top surfers this year. Many guys tried out for the team, but only a select handful went "all the way." This year's advisor of the Surf Club was the owner, Tom, of **Escondido Surf** on the corner of Escondido Boulevard and Mission.

The top 12 guys are now just being picked to compete against the top 12 inland guys. "I think this year was one of our best years. We were in the top 5 out of southern California inland teams,"commented Ron Placa.

Industrial Arts

Each year the Industrial Arts Club sponsors several activities such as barbeques during lunch, bike rides, and the annual practical arts fair. This year it is anticipated that more students than ever will be participating in the Industrial Arts Club activities.

Drama Club

EHS Dramatics is open to all students at Escondido High. This group produces several plays during the school year. Picture are cast and crew members from the *Night of Comedy* and *Broadway*. The Drama season ends with the Drama Awards Banquet, a formal affair, where the Edas (Escondido Drama Awards) are presented.

French Club

Though small in size, the French Club still managed to hold activities, experiencing French foods and culture.

A French dinner was held to let the club members go through a small scale "culture shock," experiencing the different customs and traditions.

The group is composed of students in their second year in French.

Mexicanos Unidos

MEXICANOS UNIDOS

The Club was founded seven years ago with the arrival of Mr. Aviles to Escondido High School.

The club has several fund-raising activities during the year. (This year the Club had two stadium cleanups, sold flowers on Valentines Day, and will have a car wash and co-sponsor a dance.) With these funds the club members will go ona field trip (usually Disneyland or Knott's Berry Farm or Magic Mountain) and present one or more scholarships as they've done in the past!

Pep Club

The Pep Club spent many hours after school making the fence and run through signs for the football games. At the games some lost their voices giving their all cheering the Cougars to victory. To maintain quality signs, the club made use of the artistic talents of its members. Fundraisers included the sale of football pins and candy sticks.

F.F.A.

The chapter has forty members who have participated in judging contests, community services, money making projects, school farm workdays, National FFA week activities, annual parent son-daughter banquet, and will conclude the year by showing their livestock at the Southern California Exposition at Del Mar.

C.S.F.

The California scholarship Foundation gives recognition to students who have earned mainly "A" grades in academic subjects. Members of C.S.F. may qualify for life membership by participating for four semesters, one of which must be in the senior year. Being a life member entitles the student to wear a gold tassel at graduation and have a gold seal on his or her diploma.

ADVANCED DANCE

Dance Teacher Jane Rattman gets ready to work the controls for the concert.

The 1982-1983 advanced dance class, taught by Jane Rattman, turned out a group of very talented and promising dancers this year. The girls participating in class worked very hard, giving up their lunch hour every school day for several weeks, to put together the 17th annual dance contest. The majority of the concert is choreographed by the students themselves. The two nights the concert appeared were very exciting for the dancers as well as for the audience. Any of the girls would tell you it was hard work, but they would also say it was well worth it!

SADIE HAWKINS

A Hootin'! Hollerin'! Hoe-Down

Sadie Hawkins is always a very exciting time for all girls, and this year was no exception. It gives girls a chance to see what a guy goes through when he asks a girl out! The Sadie's tradition is that the girls ask the guys to the dance, which was held on March 18th. It was a very fun time for everyone! A marriage booth was provided so that the girls could take advantage of the Sadies situation.

LUNCH

Christina Arganda rapidly copies Maria Andas' civics paper at lunch.

A time for relaxation

Lunch time brought forth a time to relax, and let out all the frustrations—laughing, teasing, and most of all, flirting, seemed to be everyone's favorite. 'Most students preferred the green top where they could sit and catch up on the latest gossip after coming back from the nearest hamburger stand. Even though lunch was shortened, it was still preferred to all other periods.

POWDER PUFF

The cheerleaders had the right idea for their signs.

Once again the annual seniors vs. juniors all-girl football game was a big event. Each team, having only two short weeks to practice, acquired skill and endurance preparing for the awesome competition. Varsity football players gave up their precious time to coach the girls. February 25 was the date set for the game. At 7:00 the senior girls were ready to stomp on the juniors, and they did. The victory for the seniors summed up to a score of 8-2. Lynn Brandon ran for the touchdown that won the game for the girls of "83."

SPIRIT WEEK

Students Show Spirit

During Spirit Week students started the week by coming to school in their favorite pajamas. Next came Nerd Day, with some real bizarre outfits. Then we turned the time back thirty years with 50's Day. Following that, came Halloween Day with a lot of different characters walking around campus. On Friday students showed their most spirit with Black and Orange Day, which helped fire everyone up for the Homecoming game in which we defeated the Knights.

HOMECOMING

Homecoming

A Night to remember

Homecoming is always one of the most exciting events of the school year. The 1982 Homecoming season was definitely no exception to this rule. Spirit Week, along with one of the most triumphant football wins, 12-7 over San Marcos High, and a night full of glamour and romance at the Homecoming Dance were all part of this year's annual fantasy.

The Homecoming Court was adorned during half-time activities by anxious Cougar fans at the football game. Driven atop elegant cars was the court of Senior King and Queen, David Moldt and Jill Reed, Senior Prince and Princess Raymond Madden and Cindy Bilderback, Junior Prince and Princess Andy Mitchell and Amy Copeland, Sophomore Prince and Princess Sean McLoughlin and Kerry Lasiter, and Freshman Prince and Princess Joe Perry and Toni Blaze, all looking magnificent on this special night.

Best in 14 Years

Our 1982-83 varsity cheerleading squad showed great enthusiasm and spirit in many ways. Besides their main jobs of cheering at games, some of their enthusiastic activities included serving the football players dinner, putting on dances, and selling flowers.

to be a top-notch cheerleader, most of the girls attended San Diego Cheerleading Camp (NCA) and learned a great deal as we could see. They all agreed that camp was one of the best things which helped them perform as a group as well as an individual. They were the best cheerleaders we've had in fourteen years.

Cheerleaders Add Spirit

This year's 1982-83 junior varsity cheerleading squad showed great dedication and enthusiasm throughout the school year.

Despite their lack of experience, they performed well with the help of a San Diego State cheerleading camp (NCA) and daily practices thereafter.

Their spirits and support never dampened, even in the rain.

They also encouraged the football players as well as basketball players, by giving them special treats on game day.

Cindy Miller, Leticia Perez, Kim Kostick, Venonica Sanchez—our fabulous senior class officers.

The many special moments we shared are now priceless colored memories. Though they may have slipped through our fingers like cool misty running water, so meaningful were these; that they will appear in the following unforgettable pages of our minds time after time.

So many days we passed in laughter when many seniors stood around telling funny jokes or simply just eating their lunch! If it's music, yougart, or romance, each day was special and fun.

Not only was the (banal) green top a special place; but so were many other areas around our campus as well. For instance the gym, the library, the cafeteria.

Senior Messages

To Susan, Kim, Kim, Cindy, Jill, and Joe: You guys are the most important friends I have. We've all had a lot of good times together. Remember our last summer? There's one thing I have to say! I love you all and I'll always be there for you, now and forever. Let's cruise our way through graduation. Thanks, Mom and Dad! To Robert McLaughlin—you're still mine! Sincerely yours,

—Veronica Sanchez

Kim Hanks: How we ever got through high school I'll never know, but we're out! I love you. Class of '83, we are awesome. See you in ten years or less! Mom and Dad, thanks for being there and helping me through thick and thin. I love you. Thanks, Coach O'Connor and Coach Clay—I'll miss you.

—Amanda Brodie

Without memories of good times with friends, our years here would be meaningless. We are leaving now, but the memories and friendships we've made will last forever. I love you, Daddy and Mommy, more than you know. My friends, you are all special and I love you. Reach for the stars and don't be afraid to dream. Amy and Eva were jenkin! Love in Christ, always,

—Tanya Matarazzo

Here you go, Mrs. Shakespeare, right on time. But anyway, it's been fun, guys; the raids were great. And thanks, Mom and Dad, for always being ready with bail. I couldn't have made it without you.

—Brian Fullerton

I want to thank my friends for being there when I needed them. I love you, Buds. Keep in touch.

—Chris Drinkward

A pretty photograph of my friend,
A memory of yesterday's Candy Cain,
The light summer of '81 never again,
The delicate spring breeze brings ONE END.

—Maria Ibarra

Well, Mom and Dad, I made it! Lily and Julie, thanks for making my high school years worth looking back on. Friends forever. . .

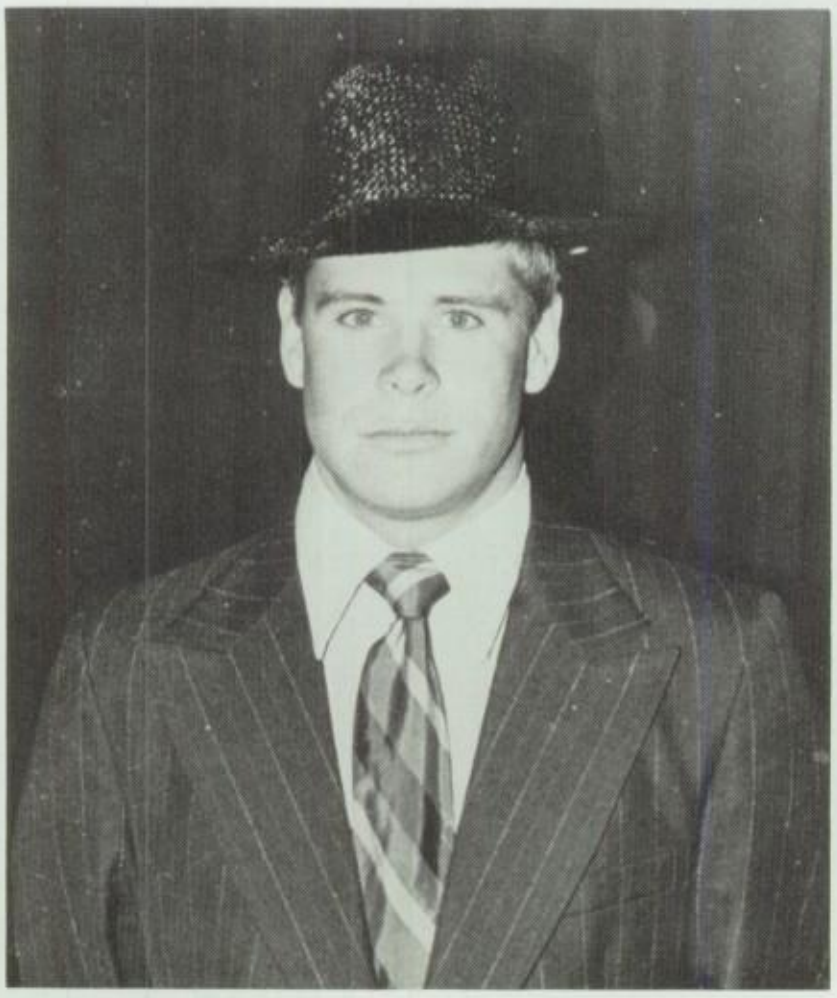
PHOTO STAFF



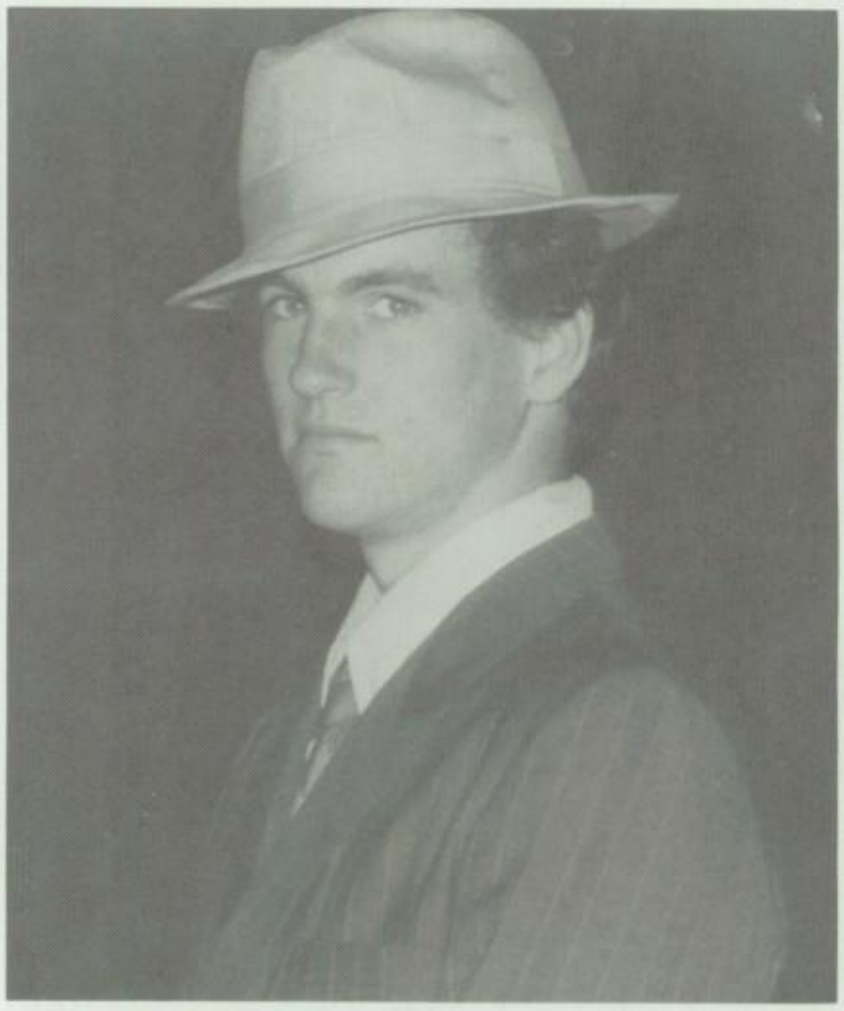
Brian Fullerton

Prudence Dubuke

Brian Fullerton—Next to the editor-in-chief, head photographer is the most difficult and time consuming job. Brian has fulfilled the position with great flair. Keeping track of four other photographers, endless rolls of film, multitudinous prints and contact sheets, many different times and places to take photos, Brian showed a finely honed skill.

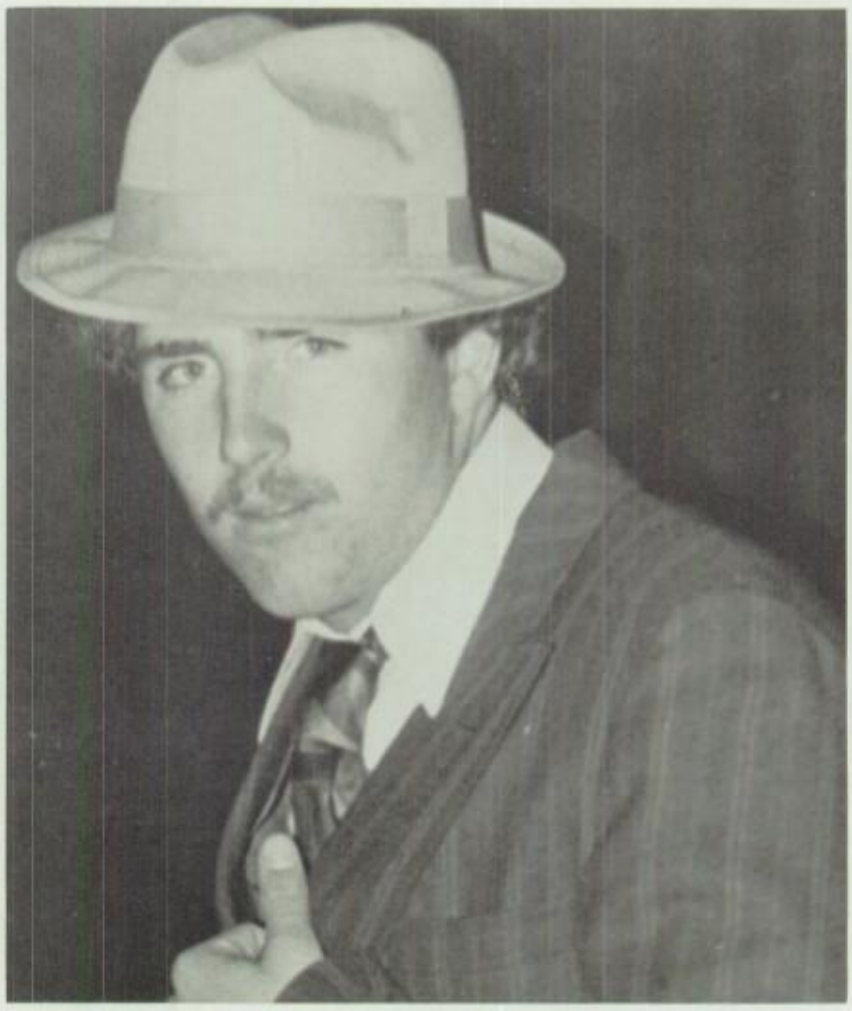
Joe Hodson. Three years Joe has worked as a photographer for the Gong. Many a picture has passed through his hands. Joe likes pressure it seems for he "gets his act together" best when work stacks up. If you wish to see the results of Joe in action, look at the last three Gongs.

Prudence Dubuke—The only girl on the photography staff, but what a whiz! Perhaps she will be America's first female four-star general. Being a person of multiple abilities, Prudence also keeps the Gong's financial ship in trim. Ask Prudence how much money we have, she knows. Ask her who owes money, Prudence knows.



Joe Hodson

Don Talley



Bill Lewis

David Manning

David Manning—The 1930's gangster of the photography staff has offered excellent help to the Gong. He is ever industrious in the darkroom and ever ready in the field. He even left the hours of biking experience to take late-in-the-terror pictures.

Bill Lewis—Band, Sports, classrooms, wherever he is needed, there Bill is, camera in hand, well prepared brain judging the arrangement of the subjects. Bill has been so dedicated that he puts in extra time in the dark room.

Don Talley. Don uses his wheels to great advantage, because he is kept on the move between room 20B, the darkroom and various photographic spots about the campus. Often, just at the moment when the staff gives up hope of ever seeing another photo, into the room comes Don with a handful of prints.

EDITOR'S NOTE

What a year this has been! I never knew the true meaning of responsibility until I became Editor-in-Chief of the yearbook. This job wasn't exactly my idea of fun. I really was placed as editor with no experience whatsoever. In fact, I didn't even want to be editor until one day I overheard a conversation about me saying I wouldn't be able to handle it because I was already involved too much in school. Hearing that conversation is what made this yearbook a success. I thank those people who doubted me.

The position of Yearbook Editor was very difficult to run. Thanks to Mr. Jupp, who was a good advisor, I was able to accomplish the goals of meeting our deadlines and completing a yearbook which I feel is the very best in E.H.S. history.

I'd like to also thank my mom and dad for being there when I needed them. Now that it's over I'm sure there will be something new to worry about. Thanks to the entire yearbook class for their hard and grueling work they all put into their sections. Without the fun and games that came along with the hard work, I wouldn't have made it through the year in one piece. You're all a super group of bic-bic kids.

To my close friends, some of whom understood me sooner than others, thanks for hanging in there. Mr. Gray and Mr. Sadnick, you have both helped so much when you didn't have to; thanks for all your contributions to the yearbook—you really were a big help.

Good luck to next year's editor. You'll find in the long run that it's worth it.

Hold On To Your Dreams

Hold on to your dreams
Don't ever give in
If you keep trying
You're surely to win.
Hold on to your dreams
Although it seems hard
Hold your head up
And reach for a star.
Hold on to your dreams
For the rest of your life
Don't ever let them go
Without a struggle or fight.
Hold on to your dreams
Success is close by
You will soon be there
If only you try.
Hold on to your dreams
Never, ever forget
We have always been as one
Since the day we met.
Hold on to your dreams
When things go wrong,
For life's twists and turns
You have to be strong.
Hold on to your dreams
Although they seem far away
And those dreams will come true
Somehow,
someway,
someday.

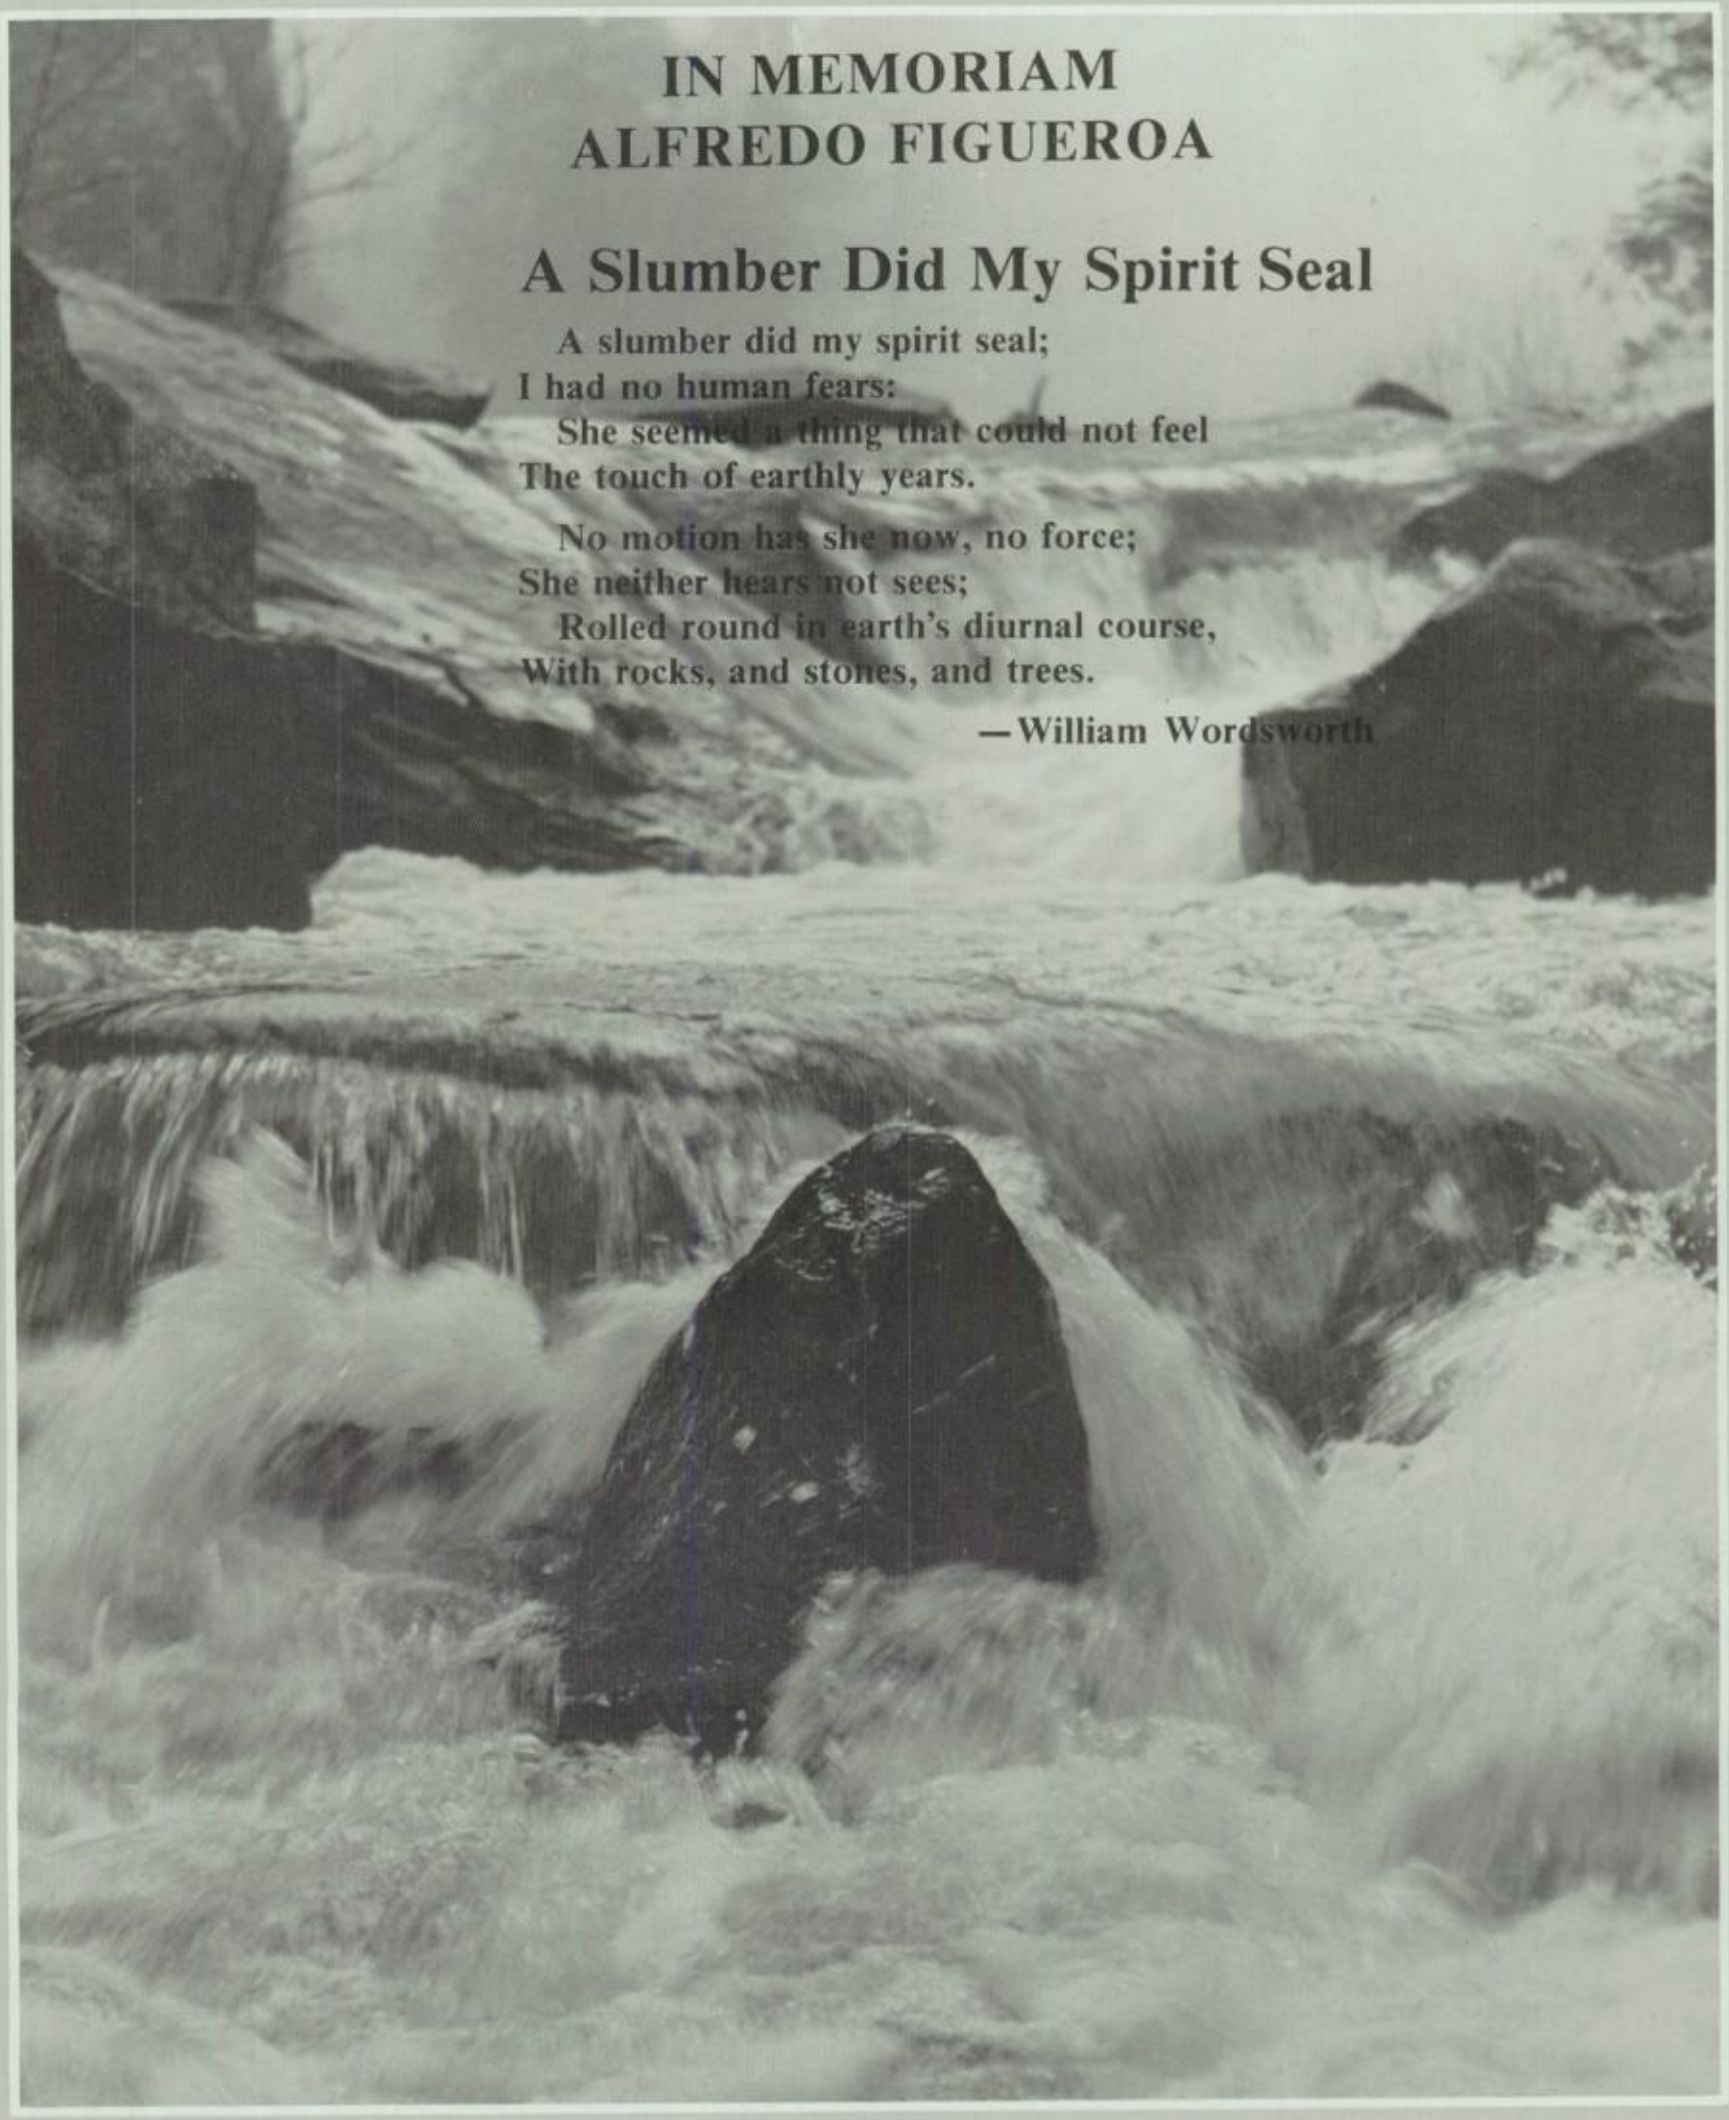
IN MEMORIAM
ALFREDO FIGUEROA



A Slumber Did My Spirit Seal

A slumber did my spirit seal;
I had no human fears:
She seemed a thing that could not feel
The touch of earthly years.

No motion has she now, no force;
She neither hears not sees;
Rolled round in earth's diurnal course,
With rocks, and stones, and trees.

—William Wordsworth

A Family Man

At home and in the world, Al was always close to his wife of thirty-three years—Jouita Irene.

A Dedicated Teacher

For almost 24 years, Alfredo Figueroa was known to his language department colleagues as Mr. Spanish. Few could understand his seemingly unquenchable need to be in a classroom even when not in good health. A few years ago, serious cancer surgery was postponed until Christmas vacation so that few classes would be missed. Bypass heart surgery took him away from the school for a longer time, but return he did, as quickly as possible.

Billie Sue,

I'm glad you were in the sweat hog class. TO BAD we didn't learn ANYTHING. Oh well! It's been a blast knowing you AND I hope you do good in the 11th grade. Have a good Summer AND get SUN ~~burned~~ DARKENED. Love you do.

Billy the 2nd

P.S. Have the first ~~grade~~ year older.

Billie Sue,
I can't wait till the graduation ceremony but we made it, the class of '83". I hope the rest of luck in the future
you.
